

Let It Ride Bonus

You win with a pair of 10's or better!

Bets

Each player places three equal bets as indicated on the table layout.

The Deal

Each player receives three cards.

The Play

You are not playing against the Dealer or the other players. You are simply trying to get the best possible poker hand by using your three cards and two cards, called "community cards," which the Dealer will expose.

After looking at your first three cards, you may ask for your first bet back or you may "Let It Ride." The Dealer then turns up one community card. You may then ask for your second bet back or you may "Let It Ride." The second community card is then turned over by the Dealer.

At this point, all winning hands are paid according to the payout schedule on the table layout.

Bet the Buck, Win a Bundle
